

LETTER TO LEADERS

Is there a Santa Claus for adults?

What if I won the Lottery?

We have all thought these things from time to time. The truth is, when we made Jesus #1 in our lives, we have won God's lottery. He has supplied all that we need according to His riches in Glory by Christ Jesus.

That is Spirit realm truth. But where is the outward manifestation of that promise?

We harbor subconscious thoughts that prevent the Spirit of God from manifesting the promises of God.

All of the promises of God are free gifts to us. But we often harbor the idea that we earn gifts by our own goodness or personalities or talents. This comes from Mom or Dad telling us as small children, "If you are not good, Santa Claus will not come!" We believed Mom and Dad because they were "God" to us at the time, and they would not lie to us. Unfortunately, we bring that subtle idea into our adult life, and walk with God. Cast this thought down. It exalts itself against God!

Jesus says in Mt 5:5 "Blessed are the meek: for they shall inherit the earth" To "inherit" is to receive a free gift. Others worked, earned and saved. They died and we were their heirs (inheritors, free gift receivers.)

Jesus says in Mt 19:14 "Suffer the little children and forbid them not to come unto me; for such is the kingdom of heaven." Children are often quite meek. They come to Mom or Dad asking with the hope, expectancy, and excitement of receiving. We need to go to our heavenly Father with that child-like meekness (hope, expectancy and excitement.)
