

LETTER TO LEADERS

2/1/12

By

Dr William E. Kaiser

Jesus says in Mt 19:14 “Suffer the little children and forbid them not to come unto me; for such is the kingdom of heaven.” Children are often quite meek. They come to Mom or Dad asking with the hope, expectancy, and excitement of receiving. We need to go to our heavenly Father with that child-like meekness (hope, expectancy and excitement.)

How can we obey Jesus?

How can we become as a little child?

First we need to remember what it was like to be as a little child.

We lived all of our growing years by gifts from our Dad & Mom. They gave us food, clothing, shelter, education (and when needed discipline). All of these were gifts. We never questioned whether or not we would have food. We just went to the table and ate. We did not even think to thank our parents. We were part of the family. Dad and Mom were the providers. It was part of the natural order God established.

It would have been good if we would have been thankful, but we just did not realize what a wonderful thing they were doing for us.

They did it because they loved us. Their whole lives were given to provide for us, and we often did not realize it. Why did they do it? Because, we were a gift from God to them and they loved us.

As you go to God, remember the way you thought and felt as a little child when you hear the call “Time for dinner!”

As you go to God, expect Him to provide as your Dad & Mom did, and more.

As you go to God, be thankful for His promise to “provide all that you need according to His riches in Glory in Christ Jesus.”

Mt 7:11 “If you then, being evil, know how to give gifts unto you children, how much more will your Father which is in heaven give good things to them that ask him?”

In His Love,
